Danya Rogers Cohan  
Gotham Telecom

Dear Danya,

We wanted to thank you for your efforts in working with us on cost control. As you know management of expenses is paramount for a small not for profit organization whose reality is to do more with less each year. Through your Company's assistance and your high energy and follow up, you have saved us thousands of dollars in utility costs and now credit card fees. These savings have a direct impact on how we impact the Community.

Thank you again for all you have done for us. We look forward to continuing our relationship and finding new ways to cut costs.

Sincerely,

Daniel Downey  
Controller
